

Refuse, Remove, Reasons
Instructions for Students to Access Website Resources

Reasons: Alcohol and Tobacco

Step 1: Go to www.connectwithkids.com/ADAPP

Step 2: From the homepage, you can easily access the student materials from the navigation bar on the far left side of the web page. On the bar it reads, "High School Education Program" and underneath there is a link that reads "Students." Click here to access the student materials.

Step 3: Once in the student materials section, you'll see three "Watch Now" video boxes. For this session, Click on the box titled, "Alcohol/ Tobacco."

Step 4: Be sure to have the handout in front of you while watching the video so you can complete the activity. If necessary, you can download a copy of the handout by clicking on the download link right under the video box.
